

REMARKS

The foregoing amendment seeks to add a cross-reference to related applications to the specification. In addition, the claims have been amended to eliminate multiple dependencies and to replace the "characterized in that" language with wording better adapted to U. S. practice. Claims 18-22 have been cancelled, without prejudice or disclaimer. No new matter has been added.

Entry of these amendments prior to examination of this 35 U.S.C. §371 application is respectfully requested.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.

Date: August 4, 2005
